

Case Study

Scott & Charters Knitwear

New Build Knitwear Factory

Location

Hawick

Duration

5 months

Value

£600k

This project comprised the construction and servicing of a new build knitwear factory building within the grounds of the original factory building in Hawick.

As well as the utility services being taken from existing local authority networks, the following services were supplied and installed by ourselves to the new factory which was officially opened by Prince Charles:

- Above Ground Drainage
- Domestic Water Services
- Natural Gas
- LPHW Heating
- Supply & Extract Ventilation
- Steam Boiler Services
- Compresses Air Services
- Air Conditioning Systems
- Vacuum System
- Automatic Controls Systems
