This project comprised the construction and servicing of a new nursery/primary campus facility located at Bonnyrigg in Midlothian. The services installations were stand alone and the utility services were derived from the existing area utility network.

The following services were supplied and installed by ourselves to the new campus:

- Above Ground Drainage
- Domestic Water Services
- Natural Gas
- LPHW Heating
- Supply & Extract Ventilation
- Automatic Controls Systems
- Split System Air Conditioning
- Sprinkler Systems
- Thermal Insulation
- Commissioning
